

Herbal Hair Colour Cream 200 copper blonde

Manufacturer: Logona

Order ID: 603002

Price: 15.89 €

Product description:

The copper blonde nuance is particularly suitable for blonde and light brown hair. The LOGONA Herbal Hair Colour Cream covers each individual hair like a film of colour. As a result, the original hair colour also determines the individual dye result. The unique composition of colouring plants and natural care ingredients ensures vibrant colour, shine and volume.

Ingredients:

Aqua (Water), Alcohol denat.*, Glycerin, Chamomilla Recutita (Matricaria) Extract*, Hectorite, Coco Glucoside, Rheum Rhaponticum Root Extract, Lawsonia Inermis (Henna) Extract, Xanthan Gum, Algin, Rosmarinus Officinalis (Rosemary) Leaf Extract, Citric Acid, Maltodextrin, Parfum (Fragrance)**, Linalool**, Limonene**, Eugenol**

* certified organically grown

** from natural essential oils

Tips from Gabi Köberl:

APPLICATION AS COLOUR CREAM: 15 mins - 2 hours

The natural nuance is particularly suitable for blonde and light brown hair. We strongly recommend to do a strand test in advance.
