Product description:

Our PURE BEAUTY Spot Treatment with zinc and organic mint acts to selectively dry out spots. It visibly reduces their size as well as redness and inflammation in just 8 hours. In the process, it reduces pressure and tightness and also helps to combat spots beneath the skin.

The Spot Treatment works in just 8 hours, reducing redness and inflammation with zinc and organic mint. PURE BEAUTY has been developed specifically for the needs of blemished skin and combination skin. The skin care range optimises and refines the complexion and effectively combats blemishes. With natural active ingredients. For lastingly clear skin.

PURE EFFICACY

Zinc: Regulates sebum production and helps with pimple reduction

Organic Mint: Soothes and refreshes the skin, anti-inflammatory and antibacterial

Tips from Gabi Köberl:

After thorough cleansing, specifically apply a small amount onto the spots every day.

My special tip: Use in the evening and leave on over night.
