Product description:

With its velvety texture, Satin Compact Powder from lavera mattifies shine and conceals blemishes

Satin Compact Powder from lavera gives a flawless complexion that lasts all day. Formulated with mineral pigments, the velvety texture provides perfect coverage without drying out the skin. Blemishes and shine disappear and the complexion is left looking fresh and even. The vegan formula with organic almond oil and organic rice powder pampers the skin and leaves it feeling silky soft. Coverage can be built up to the desired intensity. Medium to heavy coverage. Available in 3 shades.
