- No harsh chemical fragrances, preservatives or petroleum-derived ingredients
- Leaves skin soft, smooth and healthy
- Easy-to-use pump top and fully recyclable packaging

Weleda Body Lotions contain pure plant oils derived from sun-ripened seeds and fruits, which are full of energy and active ingredients. Tips from Gabi Köberl:

Apply lotion to your skin, first on the right and then the left side, using long, sweeping movements from the extremities of the body towards the heart. As you do this, breathe in the scent and let it inspire you.
