

sleep & repair night cream

Manufacturer: Santaverde

Order ID: SA23601

Price: 34.90 €

Product description:

This rich cream is formulated with milk thistle oil and grape seed oil to help the skin forget the day's stress. The care intensively nourishes, strengthens the protective barrier and promotes the regeneration process during the night. This is because during sleep, the skin is better protected against external influences and the cells regenerate 30 times faster than during the day.
