

Fragrance Lamp spring green

Manufacturer: Primavera

Order ID: P40048

Price: 26.90 €

Product description:

This fragrance lamp is a classic - elegant with a visually pleasing shape in delicate colours. The ceramic fragrance lamp is handmade and covered with food safe glazes. These fragrance lamps are produced in Europe.

The design ensures that optimum diffusion temperatures are achieved. This means that the essential oils used are actually evaporated and not burnt. Thus, the essential oils and fragrance blends are able to unfold their effects.

Measurements: H 13 x W 12.5 x D 8 cm

Material: ceramic

Tips from Gabi Köberl:

Directions for Use: Fill the bowl $\frac{3}{4}$ of the way with water and place 5 - 10 drops into it. The range of effects lies between 2 - 3 meters.

The glass and the candle are not included in the delivery.
