

Alkaline Facial Cleansing Cream 100ml

Manufacturer: Droste-Laux

Order ID: DL00501

Price: 30.00 €

Product description:

Gentle cleansing & light exfoliation

Very mild, harmonizing coordinated cleansing cream with gentle and natural exfoliation effect for deep cleansing of the skin. The fine paste is emulsified in wet hands. It removes dead skin cells and impurities and soothes sensitive skin. Wheat bran and sesame oil revive the skin and preps it for subsequent care (Alkaline Facial Cream). This cleansing cream is well-suited to use after shaving and hair removal.

- Michael Droste-Laux have a pH-value of 7,4 which corresponds to the value in cellular fluids of a healthy person
- Michael Droste-Laux natural cosmetics is the logical option for any deacidification/neutralization procedure
- The content of the Rügen chalk formula is a particularly creamy and breathable formulation
- Enriched with valuable complex substances that contain natural minerals and trace elements - rich in silicic acid
- Optimized using fine minerals, such as exquisite precious stones, aquymarinem rock crystal and rose quartz
- Supports the self regulation of the skin and is suitable for all skin types, as well as all ages
- On a natural basis, free from chemical colourants and fragrances; free from animal substances, silicones and petroleum derived products and other critical ingredients

*Raw materials: certified organic

Tips from Gabi Köberl:

Geben Sie eine erbsengroße Menge in die feuchten Hände. Anschließend auf die Gesichtshaut auftragen und mit warmen Wasser abwaschen.

Diese Waschcreme eignet sich auch wunderbar nach jeder Rasur und nach jeder Haarentfernung.
