

Certified Organic Sun Spray SPF50+

Manufacturer: Laboratoires de Biarritz

Order ID: AM7480431

Price: 23.50 €

Product description:

The result of scientific research, Laboratoires de Biarritz sun sprays with Alga-gorria® provide the double protection of a unique active ingredient combined with a natural mineral sunscreen.

The very high protection spray SPF 50+ offers an innovative, light and fluid texture to provide effective protection for your skin during high sun exposure.

The SPF 50+ index is suitable for fair, very fair or sun sensitive complexions, in all conditions.

Tips from Gabi Köberl:

Shake well before use.

Sun spray for face and body.

Apply before exposure to the sun, re-applying frequently and generously

Especially suitable for outdoor or sporting activities: seaside and altitude

Suitable for all skin types.

Follow the instructions for use in the sun.
