

Dark Spot Serum

Manufacturer: Laboratoires de Biarritz

Order ID: AM34986

Price: 38.90 €

Product description:

For all skin types, from very light to very dark. For application to the face, neck, décolleté or hands. The formulation of this serum combines an exclusive trio of algae, including Alga-Biotic, with vitamin C. A gentle, subtle fragrance accompanies the daily application.

Ingredients:

Aqua, Glycerin, Helianthus Annuus Seed Oil *, Olus Oil, Triethyl Citrate, Pentylene Glycol, Ascorbyl Glucoside, Arginine, Aloe Barbadensis Leaf Juice Powder *, Cystoseira Abies-Marina Extract, Cystoseira Tamariscifolia Extract, Palmaria Palmata Extract, Parfum, Sodium Levulinate, Microcrystalline Cellulose, Xanthan Gum, Maltodextrin, Lysolecithin, Sodium Anisate, Sclerotium Gum, Sodium Phytate, Tocopherol, Citric Acid, Sodium Citrate.

* From certified organic farming

Tips from Gabi Köberl:

Areas of application: Face, neck, décolleté, but also areas with pigmentation spots, such as hyperpigmented dark circles or hands.

Apply to cleansed skin in the morning and evening before moisturiser.
