

Cream Fluid - Mattifying

Manufacturer: Primavera

Order ID: P27510

Price: 26.90 €

Product description:

The cream fluid is ideal for skin that is prone to oiliness and greasiness. It mattifies the complexion, particularly in the T-zone area, and regulates sebum production. The natural and powerful composition enriched with sage and liquorice supplies the skin with lasting moisture and a balanced, revived and confident appearance.
