### Product description:

So free! Gentle moisturising serum with no additives

The Clean Beauty Squalane Moisturising Serum offers intense skin care with excellent moisturising properties for normal to dry skin. Plant-based squalane extracted from pure organic olive oil is combined with fair-trade aloe vera for a smooth, firm complexion. Reduced to essential ingredients, the Clean Beauty Serum features an impressive environmentally friendly formula for sensitive skin – ideal, long-lasting freshness.

Squalane, hyaluron and bisabolol

High-quality squalane obtained from pure olive oil penetrates deep into the skin, where it helps retain moisture and offers antioxidant protection. This rich oil contains lipids that are similar to those naturally found in skin, which avoids creating conditions for impurities, particularly blackheads. It is gently moisturising and easily absorbed without leaving a film.

In combination with highly concentrated hyaluronic acids and fair-trade aloe vera, this gives the Clean Beauty serum its excellent skin moisturising properties. Pure bisabolol from chamomile reduces irritation and soothes the skin for a flawless complexion.
