

Recovery Eye Cream

Manufacturer: I&M
Order ID: 570413
Price: 24.90 €

Product description:

Luxurious night care for the eyes

Specially developed for evening use, the exquisite Midnight Miracle Recovery Eye Cream pampers the delicate eye area with exceptional gentleness and provides it with valuable active ingredients throughout the night. The fragrance-free formula combines natural retinal with plant-based stem cells from the mallow flower – for soothing care that leaves the eye area refreshed and radiant by morning.

Power duo: Retinal and plant-based stem cells

At the heart of this formula lies an innovative complex of plant stem cells and natural retinal. Together, they actively support the skin's nightly renewal process. Altheostem™, a biotechnologically derived ingredient from the stem cells of the mallow flower, has been shown to help eliminate ageing skin cells associated with uneven texture and loss of firmness.

Retinal, a particularly well-tolerated form of vitamin A, is known for its remarkable versatility in skincare. As the direct precursor to retinoic acid, it helps stimulate natural cell renewal, can improve elasticity and supports the skin's moisture balance. With regular use, fine lines, sun-related changes and enlarged pores may appear visibly reduced. Retinal is also recognised for its protective effect against free radicals and environmental stressors. Above all, it is considered gentler than traditional retinoids – making it especially suitable for the sensitive eye area.

For a hydrated, radiant eye area

The Recovery Eye Cream delivers lasting hydration and nourishes the delicate skin around the eyes with a blend of precious ingredients including hyaluronic acid, aloe vera and argan oil. In addition, shea butter, avocado oil, apricot kernel oil and jojoba oil ensure the eye area remains supple, hydrated and protected throughout the night.

Ingredients:

AQUA, ALOE BARBADENSIS LEAF JUICE* (ALOE VERA*), ARGANIA SPINOSA KERNEL OIL* (ARGAN*), PRUNUS ARMENIACA KERNEL OIL* (APRICOT*), PENTYLENE GLYCOL, CETEARYL ALCOHOL, GLYCERYL STEARATE CITRATE, SIMMONDSIA CHINENSIS SEED OIL* (JOJOBA*), PERSEA GRATISSIMA OIL* (AVOCADO*), BUTYROSPERMUM PARKII BUTTER (SHEA BUTTER), CAPRYLIC/CAPRIC TRIGLYCERIDE, GLYCERIN, ORYZA SATIVA STARCH, ZINC LACTATE, RETINAL, SODIUM HYALURONATE (HYALURONIC ACID), MAGNOLIA OFFICINALIS BARK EXTRACT, ALTHAEA ROSEA FLOWER EXTRACT (STOCK ROSE), LEVULINIC ACID, HYDROGENATED RAPESEED OIL (RAPESEED), HELIANTHUS ANNUUS SEED OIL (SUNFLOWER), TOCOPHEROL (VITAMIN E), PROPANEDIOL, XANTHAN GUM, GLYCERYL CAPRYLATE, SODIUM HYDROXIDE, SODIUM CITRATE, CITRIC ACID

*organic agriculture

Tips from Gabi Köberl:

Apply gently around the eyes in the evening. Spread carefully from the inside to the outside or pat in gently. Then enjoy a restful beauty sleep. Use sun protection during the day. Discontinue use during pregnancy.
