Product description:

Fortifying, replenishing, regenerating

Strengthening Nail Oil provides extra care for thoroughly healthy nails. Carefully selected organic oils strengthen brittle nails and leave damaged cuticles soft and supple. Simply apply with the practical roll-on and enjoy your delicate fingertips.

Vitamin E, almond and hemp

Nourishing vitamin E and a rich combination of soy, hemp and fair trade almond oil ensure that your fingertips are always well cared for. With immediate effect, they soothe dry, cracked cuticles and renew them. At the same time, their rich nourishing ingredients fortify brittle nails. The Hands and More Nail Oil gives stressed nails back their healthy glow.

Nail oil roll-on - Convenient at all times

With the practical roll-on, Strengthening Nail Oil is easy to apply to the cuticles. The small roll-on is also ideal as a quick remedy for chapped cuticles. Its refreshing fragrance turns regenerating nail care into a wonderful little wellness moment.
